

## THE GREEN SHIPPING INDIA - 2018

### 2ND EDITION

Reported by : Capt. Rahul Varma

Although the environment is every ones concern and certainly "we have not inherited this world from our ancestors but just borrowed it from our children" thus it is our duty to hand it over, if not in a better way but in the same way as we got it. In order to discuss such issues of concern major stakeholders of the Green Shipping Summit gathered at the 2nd Edition of the Green Shipping Summit 2018 organized by Littoral Communications Pvt. Ltd (LCPL) to deliberate on the most pressing concern for the operating business in the most environmentally friendly way.

Green Shipping Summit is one of the leading platform for discussion and debate amongst industry leaders across the spectrum of the ever improving concern for maintaining the sanctity of Mother Earth and sustainable development.

This event marks the 2nd edition of Green Shipping Summit, The Most Environmental International Shipping Event. The day started with Introduction Speech on behalf of the Organizers by Independent Director of LCPL Capt. Rahul Varma, Founder Ally Maritime & Legal Services, who summarized the importance of the conclave and the issues to be deliberated for the chosen topic by the organizers during the day by various esteemed speakers. An environmental man who has contributed extensively for Green Ship Recycling in Alang and development of human skills through free training to Alang Recycling Yard workers he was particular about continuous development as the mantra for all of us.

The esteemed guest Shri Sabyasachi Hajara was requested along with Shir. Mehernosh Shroff and Capt D.K. Singh to light the lamp.

## 2ND EDITION

Among the various esteemed guest speaker the Key Note Address was given by Shri. Sabyasachi Hajara, Former MD SCI, who reminded us of the importance of the sustained development and UN goals for the better environment in years to come. He highlighted that Shipping was still the most environment friendly mode of transport when considered that most of the world goods moved through ships. He reminded us of the Social responsibility for Sustainable development which should be the primary thought for any business to be undertaken.

The next Address was by Shri Mehernosh Shroff who explained the critical details of how the unforgettable oil spill clean-up of MSC Chitra was successfully carried out by us off Mumbai Coast and thus deliberating on the point "Can we do the largest ocean tier II clean up at the lowest cost using Indian Material & Method" ?

The next Address was by Shri Kunal, IRS Surveyor, on "SOX Emission and IMO Regulations", he highlighted how the marine industry is grappling with the need of the hour for the new IMO regulations and the road ahead with new fuel, fuel additives and methodology which is set to bring a large change how the future vessels will run. He hoped that our oil companies will also be able to take up the challenge for providing alternatives to the fuel that would be required to comply with the regulations.

The next esteemed speaker Mr.Dhruv Kumar, Curriculum manager Sr.Lecturer, Researcher at University of Strathelyde Sr. Marine Engineering, Faculty of Nautical Science, spoke about the long steps being taken in the "Autonomus Shipping & Unmanned Vessels - Future of Shipping, and spoke in detail about the engineering advancement. However, he was cautious and explained that human intervention at critical juncture may still be the key to success to "automation"

## 2ND EDITION

This was followed by a healthy panel discussion that ensured the audience was well involved in improving their learning and making the best use of the opportunity to interact with the esteemed speakers. This was followed by the networking lunch.

After the delicious lunch it was the turn of an auspicious Inaugural function of "Sea Shines Maritime Association" and Introduction speech about the Association by Shri Mukesh Gupta, Chairman Sea Shine Global highlighting the various welfare activities the association plans for the seafarers and promote safe and efficient shipping.

The next esteemed speaker was Shri L.K.Panda, Ex.Nautical Advisor, Govt. of India, who highlighted the "Prevention of Marine Pollution on the Coast of India - Our preparedness" and made some very important suggestions to take forward in line with the improving technology and methodology that should be adopted by our country to combat oil pollution emergency.

After this there was as usual a very lively interactive session by Shri. Zarir Irani, Vice President, Global International Institute of Marine Surveying, (IIMS), Chairman of the board of Directors of Constellation Maritime Services LLC. He deliberated on the success of last voyages and "Importance of Certificate of Approval (COA) & Warranty Inspection for Recycling." It was the sharp eye of the Surveyor carrying out such inspections which ensured that the safety of the vessel is not comprised at any time during the voyage and give suitable recommendation as required to ensure they are economically viable for such voyage.

## SEA SHINE GLOBAL MARITIME ASSOCIATIONS LAUNCHED AT MUMBAI

Reported by : Capt. Prabhakar Murthy

The green sea initiative undertaken and co-ordinated by Litoral Communications Pvt. Ltd. and actively sponsored by the newly launched Seashine Global Maritime Association, saw a fruitful and a conspicuously successful day.

The seminar, "GREEN SHIPPING INDIA 2018" held at the impressive hotel Orchid, Mumbai, on 6th of April 2018, was indeed one of the most needed wakeup calls of contemporary times in respect of clean, pollution free seas. To that end it checked all the tick boxes in achieving this objective at the end of the day.

The highlight of the day was the launch of a new welfare organization, 'SEASHINE GLOBAL MARITIME ASSOCIATION'. Incorporated on 1<sup>st</sup> March 2018 by Shri. Mukesh Gupta, the association is essentially a non-profit organization aimed at providing assistance to Indian seafarers in times of their need and improve significantly employment rate of Indian seamen worldwide to ten percent within the foreseeable future.

The Notable Directors of Seashine Global Maritime Associations are Shri. Raja Vaiz, Managing Director, Litoral Communications Pvt. Ltd. and Capt. Ashish Shukla, Managing Director, S.M.Ship Management Pvt. Ltd. Mr.Shakeel Ahmed - Managing Director, Seven Seas Navigation Pvt. Ltd., Capt.Rajendra Singh, S.L Maritime Academy Pvt. Ltd., Chief Engineer - A.Mohan, S.L Maritime Academy Pvt. Ltd., and Dr. B.B. More

The association plans to achieve this by enrolling into the scheme crew management companies, Maritime Training Institutions and DG approved medical practitioners. The association also intends to participate in the policy making for the seafarers with government bodies.

The attendees were briefed about the association during the seminar eloquently by Capt. Prabhakar Murthy, Director. He also highlighted the fact, Shri. Mukesh Gupta was already engaged in philanthropic acts such as providing hostel rooms to 300 seamen at charity prices as also recently launching an MTI called RM Maritime Academy.

# WEEKLY HOROSCOPE

**Aries**

The week is very generous on Pisces people. The chances of your authority expanding at workplace is a possibility, but you have to work hard to achieve it. Avoid controversies as someone may plan a conspiracy against you. Pay attention to your mother's health. Family life may feel stressful, though you would feel happy about something. Along with spiritual activities, you will also spend your money on materialistic comforts. Your children's health will be in good spirits, however you have to look after them because of their mischievous nature. Students will have to study really hard to get good results in exams.

**Libra**

Luck is favourable on you. Income will remain the same, but expenses may increase. You may spend more money on luxurious amenities. Chances of a long or a foreign trip seems a possibility. You may not be able to spend much time with your family. You will progress at a normal pace in job / business. Work hard for achieving big objectives. Your children may have to go away for some unknown reasons. Students may face some challenges this week.

**Taurus**

You will feel inclined towards spiritual activities. Expenses may increase, but so will your sources of earning. Talk politely or you may get engaged in a fight or dispute. Maintain harmony in your family. You may gain financial benefits through property. There are also chances of eye related problems. You may have to go away from your family due to some unknown reasons. The time is favourable for your children. The week also seems promising for students.

**Scorpio**

The week seems favourable for Taurus natives. Monetary benefits on charts for you. You may face ups and downs at workplace. Health related issues may also arise. Your objectives will get accomplished and friends will also support you. You would meet new people and your social circle will grow. You will also spend money in fulfilling your wishes. Family life will remain normal, however you would spend less time with your family members. Children will make you happy. Students have to study hard to obtain good results.

**Gemini**

Natives of Sagittarius will have to take care of their health, especially their eating habits. Avoiding disputes and fights in this period is recommended. You may spend money in decorating your home or may plan to buy a new vehicle. Family life will be better than normal. You will also spend great time at workplace. Your children will support you and so will your siblings. Students will have to go through hard work to reap rewards.

**Sagittarius**
